COVID-19 MEASURES

In order for everything to run smoothly we have set up some guidelines. In short this means the following:

- A maximum of 2 guests per table are allowed (unless from the same household).
- If you have any health issues? Stay at home.
- We reserve only inside, our terrace is free to enter. Have you made a reservation inside, than it won't be possible to sit outside.
- We ask you to pay contactless.
- Reservations for parties up to 4 people can easily be made online. If you are with several people, please contact us by phone during our opening hours 0224 583100.
- We ask you to keep 1,5 meter distance from other guests and staff at all times.

We count on your understanding.

OUR WORKMETHOD

- We handle the guidelines of the RIVM and the Koninklijke Horeca Nederland.
- We keep a distance of 1,5 meter where possible.
- All tables and chairs will be cleaned after each use.
- Employees get a health check before every shift.
- Employees wash their hands thoroughly every 30 minutes.
- We welcome our guests at the door and show them their table.

2 SHIFTS FOR DINNER

To prevent that there are too many guests inside at the same time we will be handling 2 shifts for dinner.

17:00 hour til 19:00 hour
19:15 hour til 21:30/22:00 hour

We reserve a table for indoors.

LUNCH

Free choice of time.

For lunch the kitchen is open from
10:30 hour till 16:30 hour.

We reserve a table for indoors.

TERRACE

You can't make a reservation for our terrace. This will be opened to enter freely in case there is space free. In case the weather changes unexpectedly you have to take into consideration that there might not be space inside because of the limited amount of guests that we are allowed to receive. So keep an eye on the weather forecast.

TOILETS

Our toilets are only accessible to our restaurant guests and the terrace.

RECEPTION AND HEALTHCHECK

You will be welcomed at the entrance by our host/hostess. He or she will show you, after a short health check, to your table. At reception (and after a bathroom visit) it is mandatory to disinfect your hands.

MAXIMUM AMOUNT OF GUESTS IN WOEST

Reserve your table so we can keep an eye on the amount of guests that are inside simultaneously. Because of the same reason, we've split dinner and lunch into different shifts. Please consider this.

ILLNESS OR COLD SYMPTOMS?

Of course it can happen, in the days previous to your reservation, that you or one of your table guests gets illness or cold symptoms. In this case you stay at home of course.

Cancel your table! Let us also know if the amount of guests change. So we can yet use the available table or chairs. Cancel or change per telephone or 12 hours before start through mail.

*Have you got any questions or remarks?
Don't hesitate to call or mail us!*

Kind regards, Team Paal6 & Team Woest
