COVID-19 MEASURES

Adjusted rules apply from September 29.

So that everything runs smoothly we have set up some guidelines. In short this means the following:

- A maximum of four guests are allowed at one table (unless from the same household)
- We handle shifts for lunch and dinner.
- Do you have any health issues? Stay at home.
- We reserve only inside, our terrace is free to enter. Have you made a reservation inside, than it won't be possible to sit outside.
- We ask you to pay contactless.
- We ask you at all times to keep 1,5 meter distance to other guests and staff.

We count on your understanding.

OUR WORKMETHOD

- We handle the guidelines of the RIVM and the Koninklijke Horeca Nederland.
- We keep a distance of 1,5 meter where possible
- All tables and chairs will be cleaned after each use.
- Employees get a health check before every shift
- We welcome our guests at the door and show them their table

SHIFTS FOR DINNER

To prevent that there are too many guests inside at the same time we will be handling shifts for dinner.

Monday till friday

17:00 hour	till	19:00 hour
19:15 hour	till	22:00 hour

Saturday & Sunday

17:00 hour	till	18:30 hour
18:45 hour	till	20:15 hour
20:30 hour	till	22:00 hour

SHIFTS FOR LUNCH

To prevent that there are too many guests inside at the same time we will be handling shifts for lunch.

Monday till sunday

11:00 hour	till	12:15 hour
12:30 hour	till	14:15 hour
14:30 hour	till	16:00 hour

TERRACE

You can't make a reservation for our terrace. This will be opened to enter freely in case there is space free. It's allowed to place a maximum of 40 people outside. In case the weather changes unexpectedly you have to take into consideration that there might not be space inside because of our limited amount of guests that we are allowed to receive. So keep an eye on the weather forecast.

TOILETS

Our toilets are only accessible to our restaurant guests and the terrace.

RECEPTION AND HEALTHCHECK

You will be welcomed at the entrance by our host/ hostess. He or she will show you, after a short health check, to your table. If the outcome of the health check is negative, we are not allowed to permit you entrance. At reception (and after a bathroom visit) it is mandatory to disinfect your hands.

MAXIMUM AMOUNT OF GUESTS IN PAAL6

Reserve your table so we can keep an eye on the amount of guests that are inside simultaneously. The maximum number that is allowed inside is set at 30 people. Because of the same reason, we've split dinner and lunch into different shifts. Please consider this.

ILLNESS OR COLD SYMPTOMS?

Of course it can happen, in the days previous to your reservation, that you or one of your table guests gets illness or cold symptoms. In this case you stay at home of course.

Cancel your table! Let us also know if the amount of guests change. So we can yet use the available table or chairs. Cancel or change per telephone or 12 hours before start through mail.

FINALLY

We find it hard to welcome you in such a limited way. Unfortunately it is like this at the moment. But if we all hold on to the measures, we hope that it soon gets better.

*Have you got any questions or remarks?
Don't hesitate to call or mail us!*

Kind regards, Team Woest
